INTERNSHIP COMPLETION CERTIFICATE

This is to certify that

Uttam Khatri

a student of B.Tech CSE (Specialization Artificial Intelligence & Data Engineering) at Lovely Professional University, has successfully completed a summer internship with Futurense Technologies from 26th June 2026 to 26th July 2026, working on **LLM Systems & Applied GenAI.**

During the internship, the intern was introduced to **large language model systems, applied generative AI techniques, and the process of building and deploying GenAI-driven solutions.**

We appreciate the successful completion of the internship program and extend our best wishes for future achievements.
